SECTION 2. FINDINGS. It is hereby ascertained, determined and declared:

(A) The City of Leesburg, Florida (the "City"), deems it necessary, desirable and in the best interests of the City that the City provide a funding source for the City's costs of electric system projects (the "Project"), all as more particularly described in the Loan Agreement (as defined herein).

(B) Pursuant to Section 2(b), Article VIII of the Florida Constitution, and Section 166.021, Florida Statutes, municipalities have the governmental, corporate and proprietary powers to enable them to conduct municipal government, perform municipal functions, and render municipal services, and may exercise any power for municipal purposes, except when expressly prohibited by law. The issuance of the 2007 Note (hereinafter defined) and the execution and delivery of the Loan Agreement for the purposes of financing the Project is not prohibited by law.

(C) Wachovia Bank, National Association (the "Bank") has submitted a proposal dated October 1, 2007 to make a loan, which loan shall be in the principal amount of not exceeding \$5.0 million as provided in the 2007 Note (the "Loan") to the City, for the purpose of providing the City a source to finance the cost of the Project.

(D) The Loan will be secured by the Loan Agreement pursuant to which the City will at the time of the initial borrowing thereunder issue its Subordinate Electric System Revenue Note, Series 2007 (the "2007 Note") to secure the repayment of the Loan.

(E) On the advise of the City's Financial Advisor, the City has determined that it is in the best interest of the City to enter into the Loan Agreement with the Bank, rather than pursuant to a competitive bid process.

SECTION 3. AUTHORIZATION OF BONDS. In accordance with Florida law the City hereby authorizes the issuance of its electric system bonds (the "Bonds") in the principal amount of \$5.0 million.

SECTION 4. AUTHORIZATION OF FINANCING OF PROJECT. The City hereby authorizes the financing of the Project as more particularly described in the Loan Agreement.

SECTION 5. ACCEPTANCE OF PROPOSAL. The City hereby accepts the proposal of the Bank to provide the City with the Loan.

SECTION 6. AUTHORIZATION OF LOAN AGREEMENT AND EXECUTION OF LOAN AGREEMENT AND 2007 NOTE. The Loan and the repayment of the Loan as evidenced by the 2007 Note shall be pursuant to the terms and provisions of the Loan Agreement and the 2007 Note. The City hereby authorizes the Mayor or the Mayor Pro-Tem of the City (collectively, the "Mayor") and the City Clerk or any deputy or assistant City Clerk of the City (collectively, the "City Clerk") to execute and deliver on behalf of the City in connection with the initial borrowing thereunder, the Loan Agreement by and between the City and the Bank

SECTION 7. PAYMENT OF DEBT SERVICE ON 2007 NOTE. Pursuant to the Loan Agreement, the 2007 Note will be payable from and secured by the first proceeds of the Bonds when and if issued and from the Net Revenue of the City's Electric System on a parity with the City's Florida Municipal Power Agency Loan, which lien on such Net Revenues shall be junior and subordinate in all respects to the lien thereon of the City's Florida Electric System Revenue Bonds, Series 2004, and the City's Electric System Revenue Bonds, Series 2007 and Taxable Electric System Revenue Bonds, Series 2007A.

SECTION 8. AUTHORIZATION OF OTHER DOCUMENTS TO EFFECT TRANSACTION. To the extent that other documents, certificates, opinions, or items are needed to effect any of the transactions referenced in this Resolution, the Loan Agreement or the 2007 Note and the security therefore, the Mayor, the City Clerk, the City Manager, the City Finance Director and the City Attorney are hereby authorized to execute and deliver such documents, certificates, opinions, or other items and to take such other actions as are necessary for the full, punctual, and complete performance of the covenants, agreements, provisions, and other terms as are contained herein and in the documents included herein by reference.

SECTION 9. PAYING AGENT AND REGISTRAR. The City hereby accepts the duties to serve as Registrar and Paying Agent for the 2007 Note.

SECTION 10. LIMITED OBLIGATION. The obligation of the City to repay amounts under the Loan Agreement and the 2007 Note are limited and special obligations, payable solely from the sources and in the manner set forth in the Loan Agreement and shall not be deemed a pledge of the faith and credit or taxing power of the City or of any ad valorem tax revenues of the City. The 2007 Note is "Subordinate Debt" within the meaning of City Resolution No. 7141 as amended.

SECTION 11. EFFECT OF PARTIAL INVALIDITY. If any one or more provisions of this Resolution, the Loan Agreement or the 2007 Note shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not effect any other provision of this Resolution or the 2007 Note, but this Resolution, the Loan Agreement and the 2007 Note shall be construed and enforced as if such illegal or invalid provision had not been contained therein. The 2007 Note and Loan Agreement shall be issued and this Resolution is adopted with the intent that the laws of the State of Florida shall govern their construction.

SECTION 12. EFFECTIVE DATE. This Resolution shall take effect immediately upon its adoption.

PASSED, APPROVED AND ADOPTED this 22nd day of October, 2007.

(b) Validity, Etc. This Agreement, the Note and the Resolution are or will be valid and binding obligations of the City enforceable against the City in accordance with their respective terms, except to the extent that enforceability may be subject to valid bankruptcy, insolvency, financial emergency, reorganization, moratorium or similar laws relating to or from time to time affecting the enforcement of creditors' rights and except to the extent that the availability of certain remedies may be precluded by general principles of equity.

(c) No Financial Material Adverse Change. No material adverse change in the financial condition of the City or its System has occurred since the most recent audited financial statements of the City.

(d) Powers of City. The City has the legal power and authority to pledge the Pledged Revenues to the repayment of the Loan as described herein.

(e) Authorizations, etc. No authorization, consent, approval, license, exemption or registration or filing with any court or governmental department, commission, board, bureau, agency or instrumentality, domestic or foreign, has been or will be necessary for the valid execution, delivery and performance by the City of this Agreement, the Note and the related documents, except such as have been obtained, given or accomplished.

(f) Application of Proceeds of Bonds. The City does hereby irrevocably pledge to the Note the first proceeds derived from any sale of the Bonds and hereby agrees to apply the first proceeds from the sale of Bonds to payment of the outstanding Note.

(g) Outstanding Electric Debt. The only outstanding debt of the City payable from Net Revenues of the System is the Prior Electric Debt and the City's loan with Florida Municipal Power Agency.

Section 2.02. Covenants of the City. The City covenants as follows:

The City will furnish to the Bank (i) within 270 days or if earlier when available following the end of each Fiscal Year, the comprehensive annual financial report of the City for such Fiscal Year, which shall include a balance sheet and income statement as of the end of such Fiscal Year, and an audit report of an independent CPA and (ii) by November 15 of each year the current annual budget of the City and the City's Capital Improvement Plan.

Section 2.03. Representations and Warranties of Bank. The Bank represents and warrants to the City as follows:

(a) Existence. The Bank is a national banking association, authorized to do business in the State of Florida, with full power to enter into this Agreement, to perform its obligations hereunder and to make the Loan. The performance of this Agreement on the part of the Bank and the making of the Loan have been duly authorized by all necessary action on the part of the Bank and will not violate or conflict with applicable law or any material agreement, indenture or other instrument by which the Bank or any of its material properties is bound.

(b) Validity. This Agreement is a valid and binding obligation of the Bank enforceable against the Bank in accordance with its terms, except to the extent that enforceability may be subject to valid bankruptcy, insolvency, financial emergency, reorganization, moratorium or similar laws relating to or from time to time affecting the enforcement of creditors' rights (and specifically creditors' rights as the same relate to banks) and except to the extent that the availability of certain remedies may be precluded by general principles of equity.

(c) Knowledge and Experience. (d) Commitment Letter Superseded. The Bank's Commitment Letter to the City dated October 1, 2007 is superseded by this Agreement.

ARTICLE III

THE NOTE

Section 3.01. Purpose and Use. On the date of this Agreement, the Bank shall make available to the City the Loan in the total principal amount of the Loan shall not exceed Five Million Dollars (\$5,000,000). The proceeds available under this Agreement shall be used to finance the Project and to pay costs of issuing the Note.

Section 3.02. The Note. The Note shall be substantially in the form set forth as Exhibit "A" to this Agreement. The general terms of the Note shall be as follows:

(a) Amount of Note. The aggregate principal amount of the Note is expressly limited to not exceeding Five Million Dollars (\$5,000,000). The Bank shall not be required to make more than one Advance per month and the minimum amount of each Advance shall equal \$100,000.00. No Advances shall be made subsequent to September 30, 2010. Each Advance shall constitute proceeds of the Note. Each Advance shall be provided by the Bank upon receipt of a Draw Certificate in substantially the form of **Exhibit C** hereto executed by the City Manager or other authorized staff of the City ("Draw Certificate"). Upon receipt of a Draw Certificate, the Bank shall, unless an Event of Default exists hereunder, fund the Advance requested prior to noon not later than the third (fifth in the case of the initial Advance) day after receipt of the Draw Certificate or such later date as is specified in the Draw Certificate. On the date the Advance is to be funded, the Bank shall make available the amount of the Advance requested in federal or other immediately available funds for the account of the City specified in the Draw Certificate. A Draw Certificate may be revoked by the City upon delivery of a written notice revoking such Draw Certificate to the Bank not later than 9:00 a.m. on the date the proposed Advance is to be funded.

(b) Interest. The Note shall bear interest at the Note Rate. The City shall make interest payments to the Bank until the Final Maturity Date and interest on the Note shall be calculated and shall accrue at the Note Rate only on the Outstanding Principal Balance of the Note (prior to October 1, 2010 with respect to each Advance, from the date of such Advance) and shall be payable on each Interest Payment Date from the most recent date to which interest has been paid, or from the date of the initial Advance in the case of the first interest payment, in arrears. Upon the occurrence of one or more of the events specified in Section 3.03 of this Agreement, the Note Rate shall be adjusted as therein provided. Interest on the Note shall be computed on the basis of 12, 30-day months and a 360-day year.

(c) Prepayments. The Note shall prior to October 1, 2010 be subject to prepayment at the option of the City, in whole or in part, from any legally available monies at a prepayment price of 100% of the principal amount to be redeemed, plus accrued interest to the prepayment date on the principal being prepaid. On or after October 1, 2010 any prepayment (whether voluntary, mandatory or upon acceleration) of the Note shall be in an amount equal to the principal amount to be redeemed, plus accrued interest on the principal being prepaid plus the Breakage Fee described below.

Breakage Fee = the Present value of $((A-B) \times C)$ + LIBOR Breakage, where:

- A = The rate per annum equal to the sum of (i) the bond equivalent yield (bid sale) of the U.S. Treasury security with a maturity closest to the Final Maturity Date as reported by the Wall Street Journal (or other published source) on October 1, 2010 (“Lock in Date”), plus (ii) the corresponding swap spread of Bank on the Lock in Date for a fixed rate payor to pay Bank the fixed rate side of an interest rate swap of that maturity, plus (iii) .25%.
- B = A rate per annum equal to the sum of (i) the bond equivalent yield (bid side) of the U.S. Treasury security with a maturity closest to the Final Maturity Date as reported by the Wall Street Journal (or other published source) on the prepayment date (the “Break Date”), plus (ii) the corresponding swap spread [that Bank determines another swap dealer would quote to Bank on the Break Date] for paying to Bank the fixed rate side of an interest rate swap of the maturity.
- C = The sum of the products of (i) each Affected Principal Amount for each Affected Principal Period, times (ii) the number of days in that Affected Principal Period divided by 360.

“Affected Principal Amount” for an Affected Principal Period is the principal amount of this Note scheduled to be outstanding during that Affected Principal Period determined as of the relevant Break Date before giving effect to the Break Event on that Break Date, and for any prepayment, multiplying each such principal amount times the Prepayment Fraction.

“Affected Principal Period” is each period from and including a Scheduled Due Date to but excluding the next succeeding Scheduled Due Date, provided that the first such period shall begin on and includes the Break Date.

“LIBOR Breakage” is any additional loss, cost or expense that Bank may incur with respect to any hedge for the fixed rate of this Note based on the difference between the London interbank offered rate (for U.S. dollar deposits of the relevant maturity) available in the London interbank market at the beginning of the interest period in which the Break Date occurs and that which is available in that market on the Break Date.

“Prepayment Fraction” is a fraction equal to the principal amount being prepaid over the principal amount of this Note outstanding immediately prior to that prepayment on the Break Date.

“Present Value” is determined as of the Break Date using “B” above as the discount rate.

In addition to any prepayment of the principal of the Note on or after October 1, 2010, a “Break Event” shall also be deemed to occur if, on any date (“Borrowing Date”) after the date hereof but prior to any acceleration of the Note, any Advance under this Note is scheduled to be made and that Advance fails to be made on that Borrowing Date (whether due to City’s default, City’s failure to borrow, the termination of any loan commitment, any unsatisfied condition precedent, or otherwise), in which case that Borrowing Date shall be a Break Date, the Affected Principal Amount for that Break Event shall be based on the amount of the failed Advance, and the City shall on demand pay to the Bank any Breakage Fee due hereunder for that Break Event.

Breakage fees are payable as liquidated damages, are a reasonable pre-estimate of the losses, costs and expenses Bank would incur in the event of any prepayment or acceleration of this Note, are not a penalty, will not require claim for, or proof of, actual damages, and Bank’s determination thereof shall be conclusive and binding in the absence of manifest error. For any Break Event hereunder, the foregoing Breakage Fee provisions supersede any breakage compensation agreement that City and Bank may have executed with respect to this Note.

Any prepayments shall be applied first to accrued interest, then to other amounts owed the Bank and finally to principal last maturing under the Note.

(d) Principal Payments. The principal of the Note shall be paid in annual installments on each October 1, commencing October 1, 2011 (each a “Scheduled Due Date”). The schedule of principal and interest payments due on each Scheduled Due Date shall be determined by the Bank and provided to the City on October 1, 2010 or as soon thereafter as practicable. The schedule shall be determined based upon the fixed interest rate in effect as of October 1, 2010, and an amortization schedule of substantially level payments of principal and interest in each year, with payments of principal and interest sufficient to fully amortize so much of the principal amount of the Note as has been Advanced hereunder, with the final payment due and payable on the Final Maturity Date.

Section 3.03. Adjustments to Note Rate. The Note Rate shall be subject to adjustment by the Holder as hereinafter described.

Should the Note be issued as a “qualified tax-exempt obligation” and subsequent but currently unforeseen events cause any borrowing under the Note to be determined to be a “non-qualified” obligation pursuant to Section 265(b)(3)(B) Internal Revenue Code of 1986, as

amended, the Note Rate shall be adjusted to the rate for a non “qualified tax-exempt obligation” as set forth herein under the definition of “Tax-Exempt Note”.

If (i) a “Determination of Taxability” shall occur or (ii) state or federal tax laws or regulations are amended to cause the interest on the Note to otherwise decrease the after tax yield on the Note to the Bank (directly or indirectly, in whole or in part), then the interest on the Note shall be adjusted to cause the yield on the Note after payment of any increase in tax, to equal what the yield on the Note would have been in the absence of such Determination of Taxability or change or amendment in tax laws or regulations.

The above adjustments shall be cumulative, but in no event shall the interest on the Note exceed the maximum permitted by law. The above adjustments to the interest rate on the Note shall be effective for all periods during which tax treatment of the interest on the Note by the Bank is then affected (the “Taxable Period”). Proper partial adjustment shall be made if the tax law change is effective after the first day of the Bank’s tax year or if the interest on the Note does not accrue for the entire tax year of the Bank. Adjustments which create a circular calculation because the interest on the Note is affected by the calculation shall be carried out sequentially, increasing the interest on the Note accordingly in each successive calculation using as the new value the increase in the Interest Rate on the Note, until the change on the interest rate on the Note causes by the next successive calculation of the adjustment is de minimus.

Section 3.04. Conditions Precedent to Issuance of Initial Advance Under Note.

Prior to or simultaneously with the initial Advance under the Note, there shall be filed with the Bank the following, each in form and substance reasonably acceptable to the Bank:

(b) an opinion of Bond Counsel (who may rely on opinion of counsel to the City), substantially to such effect that such counsel is of the opinion that: (i) this Loan Agreement constitutes a valid and binding obligation of the City enforceable upon the City in accordance with its terms; (ii) the Note is a valid and binding special obligation of the City enforceable in accordance with its terms, payable solely from the sources provided therefor in this Loan Agreement; (iii) assuming compliance by the City with certain covenants relating to requirements contained in the Code interest on the Note is excluded from gross income for purposes of federal income taxation, and (iv) if applicable, the Note is a "qualified tax-exempt obligation" within the meaning of Section 265(b)(3) of the Code.

(c) a copy of a completed and executed Form 8038-G to be filed with the Internal Revenue Service by the City;

(d) the original executed Note and Agreement;

(e) an executed Draw Certificate in substantially the form attached hereto as Exhibit C; and

(f) such other documents as the Bank reasonably may request (including, without limitation, appropriate executed Florida Division of Bond Finance forms).

When the documents and items mentioned in clauses (a) through (e), inclusive, of this Section shall have been filed with the Bank, and when the Note shall have been executed as required by this Agreement, and all conditions of the Resolution have been met, the City shall be entitled to make Advances on the Note.

Section 3.05. Registration of Transfer; Assignment of Rights of Bank. The City shall keep at the office of the City Clerk in the City's records the registration of the Note and the registration of transfers of the Note as provided in this Agreement. The transfer of the Note may be registered only upon the books kept for the registration of the Note and registration of transfer thereof upon surrender thereof to the City together with an assignment duly executed by the Bank or its attorney or legal representative in the form of the assignment set forth on the form of the Note attached as Exhibit A to this Agreement; provided, however, that the Note may be transferred only in whole and not in part. In the case of any such registration of transfer, the City

shall execute and deliver in exchange for the Note a new Note registered in the name of the transferee. In all cases in which the Note shall be transferred hereunder, the City shall execute and deliver at the earliest practicable time a new Note in accordance with the provisions of this Agreement. The City may make a charge for every such registration of transfer of a Note sufficient to reimburse it for any tax or other governmental charges required to be paid with respect to such registration of transfer, but no other charge shall be made for registering the transfer hereinabove granted. The Note shall be issued in fully registered form and shall be payable in any lawful coin or currency of the United States.

The registration of transfer of the Note on the registration books of the City shall be deemed to effect a transfer of the rights and obligations of the Bank under this Agreement to the transferee. Thereafter, such transferee shall be deemed to be the Bank under this Agreement and shall be bound by all provisions of this Agreement that are binding upon the Bank. The City and the transferor shall execute and record such instruments and take such other actions as the City and such transferee may reasonably request in order to confirm that such transferee has succeeded to the capacity of Bank under this Agreement and the Note.

The registered owner of the Note is hereby granted power to transfer absolute title thereof by assignment thereof to a bona fide purchaser for value (present or antecedent) without notice of prior defenses or equities or claims of ownership enforceable against such owner's assignor or any person in the chain of title and before the maturity of the Note; provided, however, that the Note may be transferred only in whole and not in part and provided further, that no transfer shall be permitted absent the City's (and the Bank's) receipt of a certificate in form and substance similar to the one included as part of Exhibit A hereto from such proposed transferee. Every prior registered owner of the Note shall be deemed to have waived and renounced all of such owner's equities or rights therein in favor of every such bona fide purchaser, and every such bona fide purchaser shall acquire absolute title thereto and to all rights represented thereby.

In the event any Note is mutilated, lost, stolen, or destroyed, the City shall execute a new Note of like date and denomination as that mutilated, lost, stolen or destroyed, provided that, in the case of any mutilated Note, such mutilated Note shall first be surrendered to the City, and in the case of any lost, stolen, or destroyed Note, there first shall be furnished to the City evidence of such loss, theft or destruction together with an indemnity satisfactory to it.

Section 3.06. Ownership of the Note. The person in whose name the Note is registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the Note shall be made only to the registered owner thereof or such owner's legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon the Note, and interest thereon, to the extent of the sum or sums so paid.

Section 3.07. Use of Proceeds of Note Permitted Under Applicable Law. The City represents, warrants and covenants that the proceeds of the Note will be used solely for the Project and costs of issuance of the Note, and that such use is permitted by applicable law.

Section 3.08. Authentication. Until the Note shall have endorsed thereon a certificate of authentication substantially in the form set forth in Exhibit A, duly executed by the manual signature of the registrar as authenticating agent, it shall not be entitled to any benefit or security

under this Agreement. The Note shall not be valid or obligatory for any purpose unless and until such certificate of authentication shall have been duly adopted by the registrar, and such certificate of the registrar upon the Note shall be conclusive evidence that such Note has been duly authenticated and delivered under this Agreement.

ARTICLE IV

COVENANTS OF THE CITY

Section 4.01. Performance of Covenants. The City covenants that it will perform faithfully at all times its covenants, undertakings and agreements contained in this Agreement and the Note or in any proceedings of the City relating to the Loan that it will take all necessary steps to receive the Pledged Revenues, and that it will do nothing to jeopardize its ability to receive the Pledged Revenues.

Section 4.02. Payment of Note.

(a) The City covenants that it will promptly pay the principal of and interest on the Note and other costs and expenses due and payable to the Bank under this Agreement at the place, on the dates and in the manner provided herein and in the Note, in accordance with the terms thereof. The City does hereby irrevocably pledge (until repayment) the Pledged Revenues as security for the repayment of the Note.

(b) The Note will be a special obligation of the City secured solely by the Pledged Revenues as provided in the definition thereof. The Note will not constitute a general debt, liability or obligation of the City or the State of Florida or any political subdivision thereof within the meaning of any constitutional or statutory provision. Neither the faith and credit nor the taxing power nor any ad valorem tax revenues of the City or of the State of Florida or any political subdivision thereof is pledged to the payment of the principal of or interest on the Note and the Noteholder shall never have the right to compel any exercise of any ad valorem taxing power or the pledge of any ad valorem tax revenues of the City or of the State of Florida or any political subdivision thereof, directly or indirectly to enforce such payment. The Note shall not constitute a lien upon any property of the City except upon the Pledged Revenues.

Section 4.03. Tax Covenant. The City covenants to the purchasers of the Note provided for in this Agreement that the City will not make any use of the proceeds of the Note at any time during the respective terms of such Note which, if such use had been reasonably expected on the date the Note was issued, would have caused such Note to be an "arbitrage bond" within the meaning of the Code. The City will comply with the requirements of the Code and any valid and applicable rules and regulations promulgated thereunder necessary to insure the exclusion of interest on the Note from the gross income of the holders thereof for purposes of federal income taxation.

Section 4.04. Financial Covenants. The City will not while the Note is Outstanding, without the prior approval of the Bank, issue any debt payable from the Pledged Revenues which debt would have a lien on the Pledged Revenues senior to the lien thereon of the Note. Additionally, the City shall not issue any debt payable on parity with the Note from the Net

Revenues unless for the City's two most recent fiscal years the Net Revenues cover maximum annual debt service on the Note, any other existing debt and the prospective debt by 1.25 x. Maximum annual debt service on the Note will be calculated based on the Outstanding Principal Balance plus any unfunded amounts amortizing over a 10-year period and during the variable rate period the Note or any other existing or proposed payable in an amount with the Note and leaving a variable interest rate will be assumed to bear interest at the higher of 7% or the actual rate borne by the Note during the month immediately preceding the date of calculation. Upon conversion to a fixed rate, the rate used to calculate maximum annual debt service on the Note will be the actual rate borne by the Note.

Section 4.05. Compliance with Laws and Regulations. The City shall maintain compliance with all federal, state and local laws and regulations regarding the acquisition, construction and maintenance of the Project.

Section 4.06. Rate Covenant. The City agrees to fix, impose and collect rates and charges for goods sold and services delivered by it through the System (as defined in City Resolution No. 7141) so that the ratio of (i) Net Revenues secured by or payable from such Net Revenues for each Fiscal Year to (ii) debt service on all Debt for such Fiscal Year shall be no less than 1.25 to 1. For such purposes in determining debt service on Bonds (as defined in City Resolution No. 7141) the definition of Bond Service Requirement in said Resolution shall be determinative.

ARTICLE V

EVENTS OF DEFAULT AND REMEDIES

Section 5.01. Events of Default. Each of the following is hereby declared an "Event of Default:"

(a) payment of the principal of the Note shall not be made when the same shall become due and payable;

(b) payment of any installment of interest on the Note shall not be made when the same shall become due and payable; or

(c) the City shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Note or in this Agreement and such default shall continue for 30 days after written notice shall have been given to the City by the Noteholder specifying such default and requiring the same to be remedied; provided, however, that if, in the reasonable judgment of the Noteholder, the City shall proceed to take such curative action which, if begun and prosecuted with due diligence, cannot be completed within a period of 30 days, then such period shall be increased to such extent as shall be necessary to enable the City to diligently complete such curative action; or

(d) any representation or warranty of the City contained in this Agreement or in any certificate or other closing document executed and delivered by the City in connection with the

closing of the Loan shall prove to have been untrue in any material respect when executed and delivered, thereby adversely impairing the security for the Note; or

(e) any proceedings are instituted with the consent or acquiescence of the City, for the purpose of effecting a compromise between the City and its creditors or for the purpose of adjusting the claims of such creditors, pursuant to any federal or state statute now or hereinafter enacted; or

(f) the City admits in writing its inability to pay its debts generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors, declares a financial emergency or consents to the appointment of a receiver or trustee for itself or shall file a petition or answer seeking reorganization or any arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof; or

(g) the City is adjudged insolvent by a court of competent jurisdiction or is adjudged bankrupt on a petition of bankruptcy filed against the City, or an order, judgment or decree is entered by any court of competent jurisdiction appointing, without the consent of the City, a receiver or trustee of the City or of the whole or any part of its property and any of the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within 60 days from the date of entry thereof; or

(h) if, under the provisions of any law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the City or of the whole or any substantial part of its property and such custody or control shall not be terminated within 90 days from the date of assumption of such custody or control; or

(i) the City defaults in the due and punctual payment of any other obligation or evidence of indebtedness which is secured in whole or in part by a pledge of or payable from the Pledged Revenues or that is a general obligation of the City.

Section 5.02. Exercise of Remedies. Upon the occurrence and during the continuance of an Event of Default, the Note shall bear interest at the Default Rate and all payments made on the Note during any such period shall be applied first to interest and then to principal. Upon the occurrence and during the continuance of an Event of Default, a Noteholder may proceed to protect and enforce its rights under the laws of the State of Florida or under this Agreement by such suits, actions or special proceedings in equity or at law, or by proceedings in the office of any board or officer having jurisdiction, either for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein granted or for the enforcement of any proper legal or equitable remedy, as a Noteholder shall deem most effective to protect and enforce such rights. Without limiting the generality of the foregoing, the Noteholder shall have the right to bring a mandamus action to require the City to perform its obligations under this Agreement.

In the enforcement of any remedy under this Agreement, to the extent permitted by law, a Noteholder shall be entitled to sue for, enforce payment of and receive any and all amounts then or during any default becoming, and at any time remaining, due from the City for principal,

interest or otherwise under any of the provisions of this Agreement or of the Note then unpaid, within interest on overdue payments of principal and interest (to the extent permitted by law) at the Default Rate, together with any and all costs and expenses of collection and of all proceedings hereunder and under the Note (including, without limitation, reasonable legal fees in all proceedings, including administrative, appellate and bankruptcy proceedings), but payable from the Pledged Revenues, without prejudice to any other right or remedy of the Noteholder, and to recover and enforce any judgment or decree against the City, but solely as provided herein and in a Note, for any portion of such amounts remaining unpaid and interest, costs, and expenses as above provided, and to collect (but only from the Pledged Revenues) in any manner provided by law, the moneys adjudged or decreed to be payable.

Section 5.03. Remedies Not Exclusive. No remedy herein conferred upon or reserved to a Noteholder is intended to be exclusive of any other remedy or remedies herein provided, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder.

Section 5.04. Waivers, Etc. No delay or omission of a Noteholder to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or any acquiescence therein; and every power and remedy given by this Agreement to a Noteholder may be exercised from time to time and as often as may be deemed expedient.

A Noteholder may waive any default which in its opinion shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted by it under the provisions of this Agreement or before the completion of the enforcement of any other remedy under this Agreement, but no such waiver shall be effective unless in writing and no such waiver shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon.

ARTICLE VI

The aggregate Advances that are permitted under this Note are expressly limited in amount not to exceed Five Million Dollars (\$5,000,000). The Note Rate may be adjusted in accordance with Section 3.03 of that certain Loan Agreement by and between the Holder and the City, dated as of _____, 200__ (the "Agreement"). Notice having been given as aforesaid, the principal amount stated in such notice or the whole thereof, as the case may be, shall become due and payable on the prepayment date stated in such notice, together with interest accrued and unpaid to the prepayment date on the principal amount then being paid and the amount of principal and interest then due and payable shall be paid. If, on the prepayment date, funds for the payment of the principal amount to be prepaid, together with interest to the prepayment date on such principal amount, shall have been given to the Holder, as above provided, then from and after the prepayment date interest on such principal amount of this Note shall cease to accrue. Notwithstanding any provision in this Note to the contrary, in no event shall the interest contracted for, charged or received in connection with this Note (including any other costs or considerations that constitute interest under the laws of the State of Florida which are contracted for, charged or received) exceed the maximum rate of nonsurious interest allowed under the State of Florida as presently in effect and to the extent an increase is allowable by such laws, but in no event shall any amount ever be paid or payable by the City greater than the amount contracted for herein. In the event the maturity of this Note is accelerated or prepaid in accordance with the provisions hereof, then such amounts that constitute payments of interest, together with any costs or considerations which constitute interest under the laws of the State of Florida, may never exceed an amount which would result in payment of interest at a rate in excess of that permitted by Section 215.84(3), Florida Statutes, as presently in effect and to the extent an increase is allowable by such laws; and excess interest, if any, shall be cancelled automatically as of the date of such acceleration, or, if theretofore paid, shall be credited on the principal amount of this Note unpaid, but such crediting shall not cure or waive any default under the Agreement or Resolution.

THIS NOTE, WHEN DELIVERED BY THE CITY PURSUANT TO THE TERMS OF THE AGREEMENT AND THE RESOLUTION, SHALL NOT BE OR CONSTITUTE AN INDEBTEDNESS OF THE CITY OR THE STATE OF FLORIDA (THE "STATE"), WITHIN THE MEANING OF ANY CONSTITUTIONAL, STATUTORY OR CHARTER LIMITATIONS OF INDEBTEDNESS, BUT SHALL BE PAYABLE SOLELY FROM THE PLEDGED REVENUES AND PROVIDED IN THE AGREEMENT AND THE RESOLUTION.
